School Improvement Goals

Goal 1: All students will increase their ability to gain information from text in all curricular areas.

Essence(s):

- Interpret and extend the use of information from text in all strategies.
- Demonstrate critical understanding by making predictions and generalize ideas to other situations.
- Demonstrate comprehension by drawing conclusions and inferring relationships

Goal 2: All students will improve writing skills across the curriculum.

Essence(s):

- Write a response to literature that demonstrates understanding of the literal meaning of the text.
- Demonstrate use of the writing process and prewriting techniques.
- Write for different audiences and purposes.
- Make connections between text, self, and the world as a written response.
